Alumni and Careers

Please would all ex-William Edwards school leavers visit the Alumni page by clicking on the link below:

[William Edwards School - Former Students](#)

You are an important part of our community, and we would like to use your careers experiences to help guide our young people today. Please could you email Tre Parker - parkert@wes.swecet.org to sign up to the ever-growing Alumni Network and express an interest in the types of activities you would be willing to consider participating in.

We look forward to catching-up with you.
